FOR IMMEDIATE RELEASE

## Suncor Energy provides update on acquisition of Teck's interest in Fort Hills

**Calgary, Alberta (Dec. 23, 2022)** – Suncor Energy (TSX: SU) (NYSE: SU) (“Suncor”) announces that it has been made aware of an application that has been filed today by TotalEnergies EP Canada Ltd. (“Total”) in the Court of King’s Bench of Alberta related to the validity of the right of first refusal notice (“ROFR Notice”) delivered to it by Teck Resources Limited (“Teck”) in connection with the sale of Teck’s 21.3% interest in Fort Hills to Suncor.

Suncor supports Teck’s view on the validity of the ROFR Notice and believes the filing by Total to be without merit. As previously indicated, the acquisition is currently anticipated to close in the first quarter of 2023.

As the matter is before the courts, Suncor will have no further comment.

### Legal Advisory – Forward-Looking Statements

*This news release contains certain forward-looking information and forward-looking statements (collectively referred to herein as “forward-looking statements”) within the meaning of applicable Canadian and U.S. securities laws. Forward-looking statements in this news release include references to the merit of Total’s claim.*

*Forward-looking statements are based on Suncor’s current expectations, estimates, projections and assumptions that were made by the company in light of its information available at the time the statement was made and consider Suncor’s experience and its perception of historical trends, including expectations and assumptions concerning: the accuracy of reserves and resources estimates; the current and potential adverse impacts of the COVID-19 pandemic, including the status of the pandemic and future waves; commodity prices and interest and foreign exchange rates; the performance of assets and equipment; capital efficiencies and cost-savings; applicable laws and government policies; future production rates; the sufficiency of budgeted capital expenditures in carrying out planned activities; the availability and cost of labour, services and infrastructure; the satisfaction by third parties of their obligations to Suncor; the development and execution of projects; and the receipt, in a timely manner, of regulatory and third-party approvals.*

*Forward-looking statements are not guarantees of future performance and involve a number of risks and uncertainties, some that are similar to other oil and gas companies and some that are unique to Suncor. Suncor’s actual results may differ materially from those expressed or implied by its forward-looking statements, so readers are cautioned not to place undue reliance on them.*

*The MD&A, together with Suncor’s Annual Information Form and Annual Report to Shareholders each dated February 23, 2022, its Form 40-F dated February 24, 2022, and other documents it files from time to time with securities regulatory authorities describe the risks, uncertainties, material assumptions and other factors that could influence actual results and such factors are incorporated herein by reference. Copies of these documents are available without charge from Suncor at 150 6th Avenue S.W., Calgary, Alberta T2P 3E3; by e-mail request to [invest@suncor.com](mailto:invest@suncor.com); by calling (800) 558-9071; or by referring to [suncor.com/FinancialReports](http://suncor.com/FinancialReports) or to the company’s profile on SEDAR at [sedar.com](http://sedar.com) or EDGAR at [sec.gov](http://sec.gov). Except as required by applicable securities laws, Suncor disclaims any intention or obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.*

*Suncor is Canada’s leading integrated energy company. Suncor’s operations include oil sands development, production and upgrading, offshore oil and gas production, petroleum refining in Canada and the United States and the company’s Petro-Canada retail and wholesale distribution networks, including Canada’s Electric Highway,*

*a coast-to-coast network of fast-charging EV stations. Suncor is developing petroleum resources while advancing the transition to a low-emissions future through investment in power, renewable fuels and hydrogen. Suncor also conducts energy trading activities focused principally on the marketing and trading of crude oil, natural gas, byproducts, refined products and power. Suncor has been recognized for its performance and transparent reporting on the Dow Jones Sustainability index, FTSE4Good and CDP. Suncor's common shares (symbol: SU) are listed on the Toronto and New York stock exchanges.*
