New Sponsorship to Tackle CO2 Emissions

CALGARY, ALBERTA--(Marketwired - Sept. 28, 2015) - Carbon dioxide (CO₂) emissions are a contributor to climate change. Canada's Oil Sands Innovation Alliance (COSIA) recognizes that fact and is working continuously to improve emissions performance at our oil sands projects. That includes an exciting new initiative to reimagine carbon.

For more on this initiative, please join us tomorrow, September 29, 2015, at 10 a.m. MT for a news conference and Q&A session with COSIA Chief Executive Dan Wicklum.

Location:

Gulf Canada Square, 401 - 9th Avenue S.W. Calgary, Alberta

ConocoPhillips Canada, Floor 6

(Access through east elevator bank of Gulf Canada Square near the Tim Horton's)

Calgary, Alberta T2P 2H7

COSIA is an alliance of oil sands producers focused on accelerating the pace of improvement in environmental performance in Canada's oil sands through collaborative action and innovation.
